### Guiding Principles

#### **Integrity, this is our foundation**

We are committed to 'Do the Right Thing' in every circumstance, representing an ethical organization of dedicated and competent individuals of high integrity and credibility who produce quality products and services that contribute significantly to our communities.

#### **Our People, this is our strength**

The collective talents of our employees comprise our most powerful asset. Our people are the key to our success, and there is nothing more important than their health and safety. We treat each person with dignity and respect, and provide an environment that nurtures, empowers, stimulates and rewards employee achievement and creativity.

#### **Teamwork, this is our style**

While never failing to recognize the critical contribution of the individual, we believe that the synergistic power of a Team with common purpose and vision, and coordinated actions, will produce remarkable results.

#### **Excellence, this is our passion**

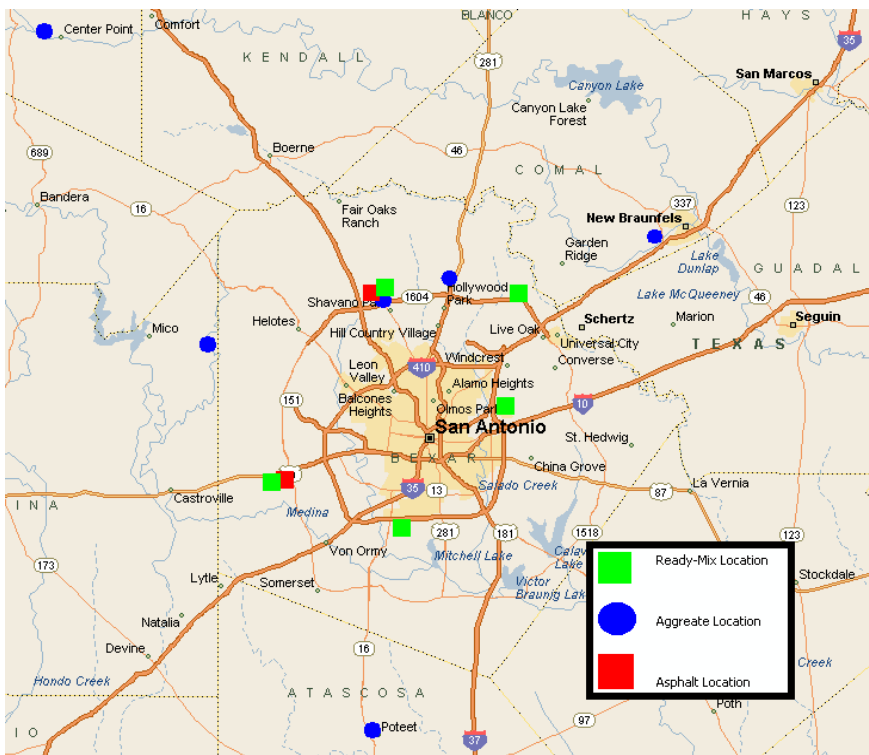

We are committed to sharp and skillful execution in every endeavor. The passion throughout our organization for being the best drives our commitment to achieving excellence
